# Opening of the main theme of folk music

PENDING FR, 28.08.2026

🕒 Friday 08:00 PM

📍 Gaschurn

On the last weekend in August, the Montafon is all about folk music - and has been for 20 years! Since then, musicians have “gsunga und gspielt” (sung and played) every year at the end of August, and the friendly meeting has quickly gained a reputation beyond the limits of the Alps. Today, these days of indigenous and hand-knitted music are amongst the fixed pearls in the cycle of the “Montafoner Resonanzen”.

**Free admission!**
