Where theatre meets the mountains – explore “Borderline Experiences on the Magic Mountain” on a guided performance hike.

After almost 100 sold-out performances and an impressive 10-year run, a new Montafon theater hike entitled “Borderline Experiences on the Magic Mountain” has been available since summer 2025. On this guided hike around Gargellen, you will join the “teatro caprile” at various locations between Austria and Switzerland to explore the cultural and historical references that have shaped our perception of the mountains today.

The focus is on the history of Gargellen with regional and international references. Performances take place at the Hotel Madrisa, in alpine huts, and in the open air.
