

E-MTB tour to the Vergaldaalpe

📍 St. Gallenkirch

Discover the tranquillity of the Vergaldataal

Detailed description

Starting from St. Gallenkirch, this e-mountain bike tour takes you to Gargellen, the highest mountain village in the Montafon. Together with your bike guide, you leave the village centre of Gargellen behind you and enjoy the breathtaking nature of the Vergaldental valley. Here you can recharge your batteries and enjoy the beauty of the Montafon mountains to the full. Once you arrive at the Vergaldaalpe, Daniel and his team will give you an insight into life on the alp with a guided tour. You should definitely try the traditionally made Montafon Sura Kees at a cosy stop before heading back to St. Gallenkirch on your e-mountain bike.

Info: The alpine season runs from June to September. Outside of the alpine season, the bike guide may choose a different route or it may not be possible to stop for refreshments.
