Further information

It is well known that culinary delights should not be neglected during or after sport, so why not combine the two? That is exactly what we have done with the idea of the ski touring pleasure tour: join a convivial group, with your touring skis, splitboard or snowshoes on your feet, on a ski tour with a difference. Along the way, you can expect tasty treats and a unique atmosphere at various stops. Lit by torches, the tour ends with a cosy get-together accompanied by music. It's not about time, but about fun, enjoyment and shared experiences.
