# Winter hike Kristberg

🕒 Donnerstag 13:30 o'clock

When the experience of winter hiking meets the Montafon's fascinating history, there's no better setting for this than the picturesque cultural landscape of Bartholomäberg. In one of the oldest mining areas of the Alpine region, you can hike through the dreamy landscape on the trail of the miners to the Fritzenssee. Then fantastic views accompany you to the Rellseck Alpinrestaurant. In winter 2021/22 no guided mining tours take place.
