

TOURENFEST | Touring techniques for beginners

PENDING FR, 20.03.2026

🕒 Friday 01:00 p.m.

Duration: 3 hours

📍 Gargellen

With the right technique, ski touring is fun even in difficult snow conditions and gives you more confidence in your skills. This afternoon, with the help of Montafon mountain guides, you will expand your skills in ascending and descending. Your mountain guide will help you improve your skiing technique with individual tips and exercises, making it even easier to reach your destination.
